

ROLLS-ROYCE GHOST

tbc

The Rolls-Royce Ghost has a dynamic edge to its styling and is less formal than previous models. Its size, style and expression broaden the appeal of the car, making it more appropriate for a wider range of circumstances. This 'baby Phantom' is equally engaging as a drivers car as we as a chauffeur driven one. We have 2 launch cars available in December 2009. Please call for details.

Vehicle Details:
